 FC		Bright Yellow Tight Ripple	.1

"My wife loves to grow flowers. She arranges several varieties in large containers and I could not help but notice the beautiful cosmos (Mexican aster) and that it had features needed to fashion a Tiffany style stained glass lamp. The finely divided fern-like leaves suggested a background of textured green with well-defined colorful flower petals and centers."

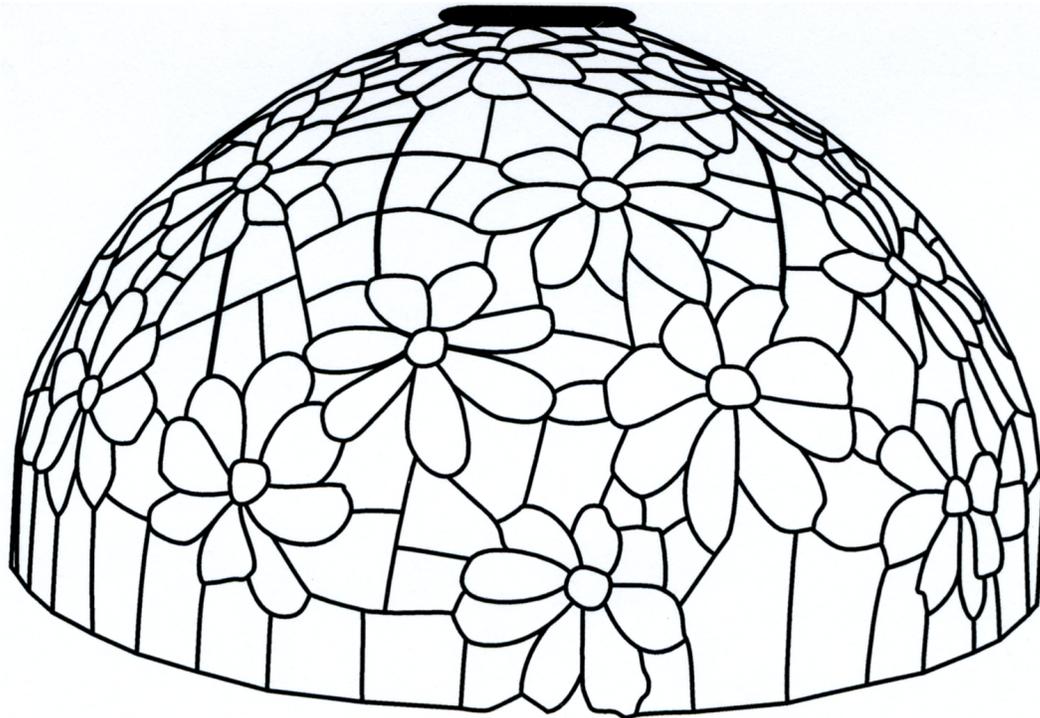

-H. L. Worden-

Paper Pattern
MagicStrips™
MADE IN USA

Construction Tip

Flower petal pieces are marked with an arrow.
Place the arrow on the ripple grain of the glass.

Make copies of this picture to
try different color combinations
for your lamp. Use the paper
pattern for glass piece
description.
